

**I didn't get into
leadership
because someone
believed in me.**

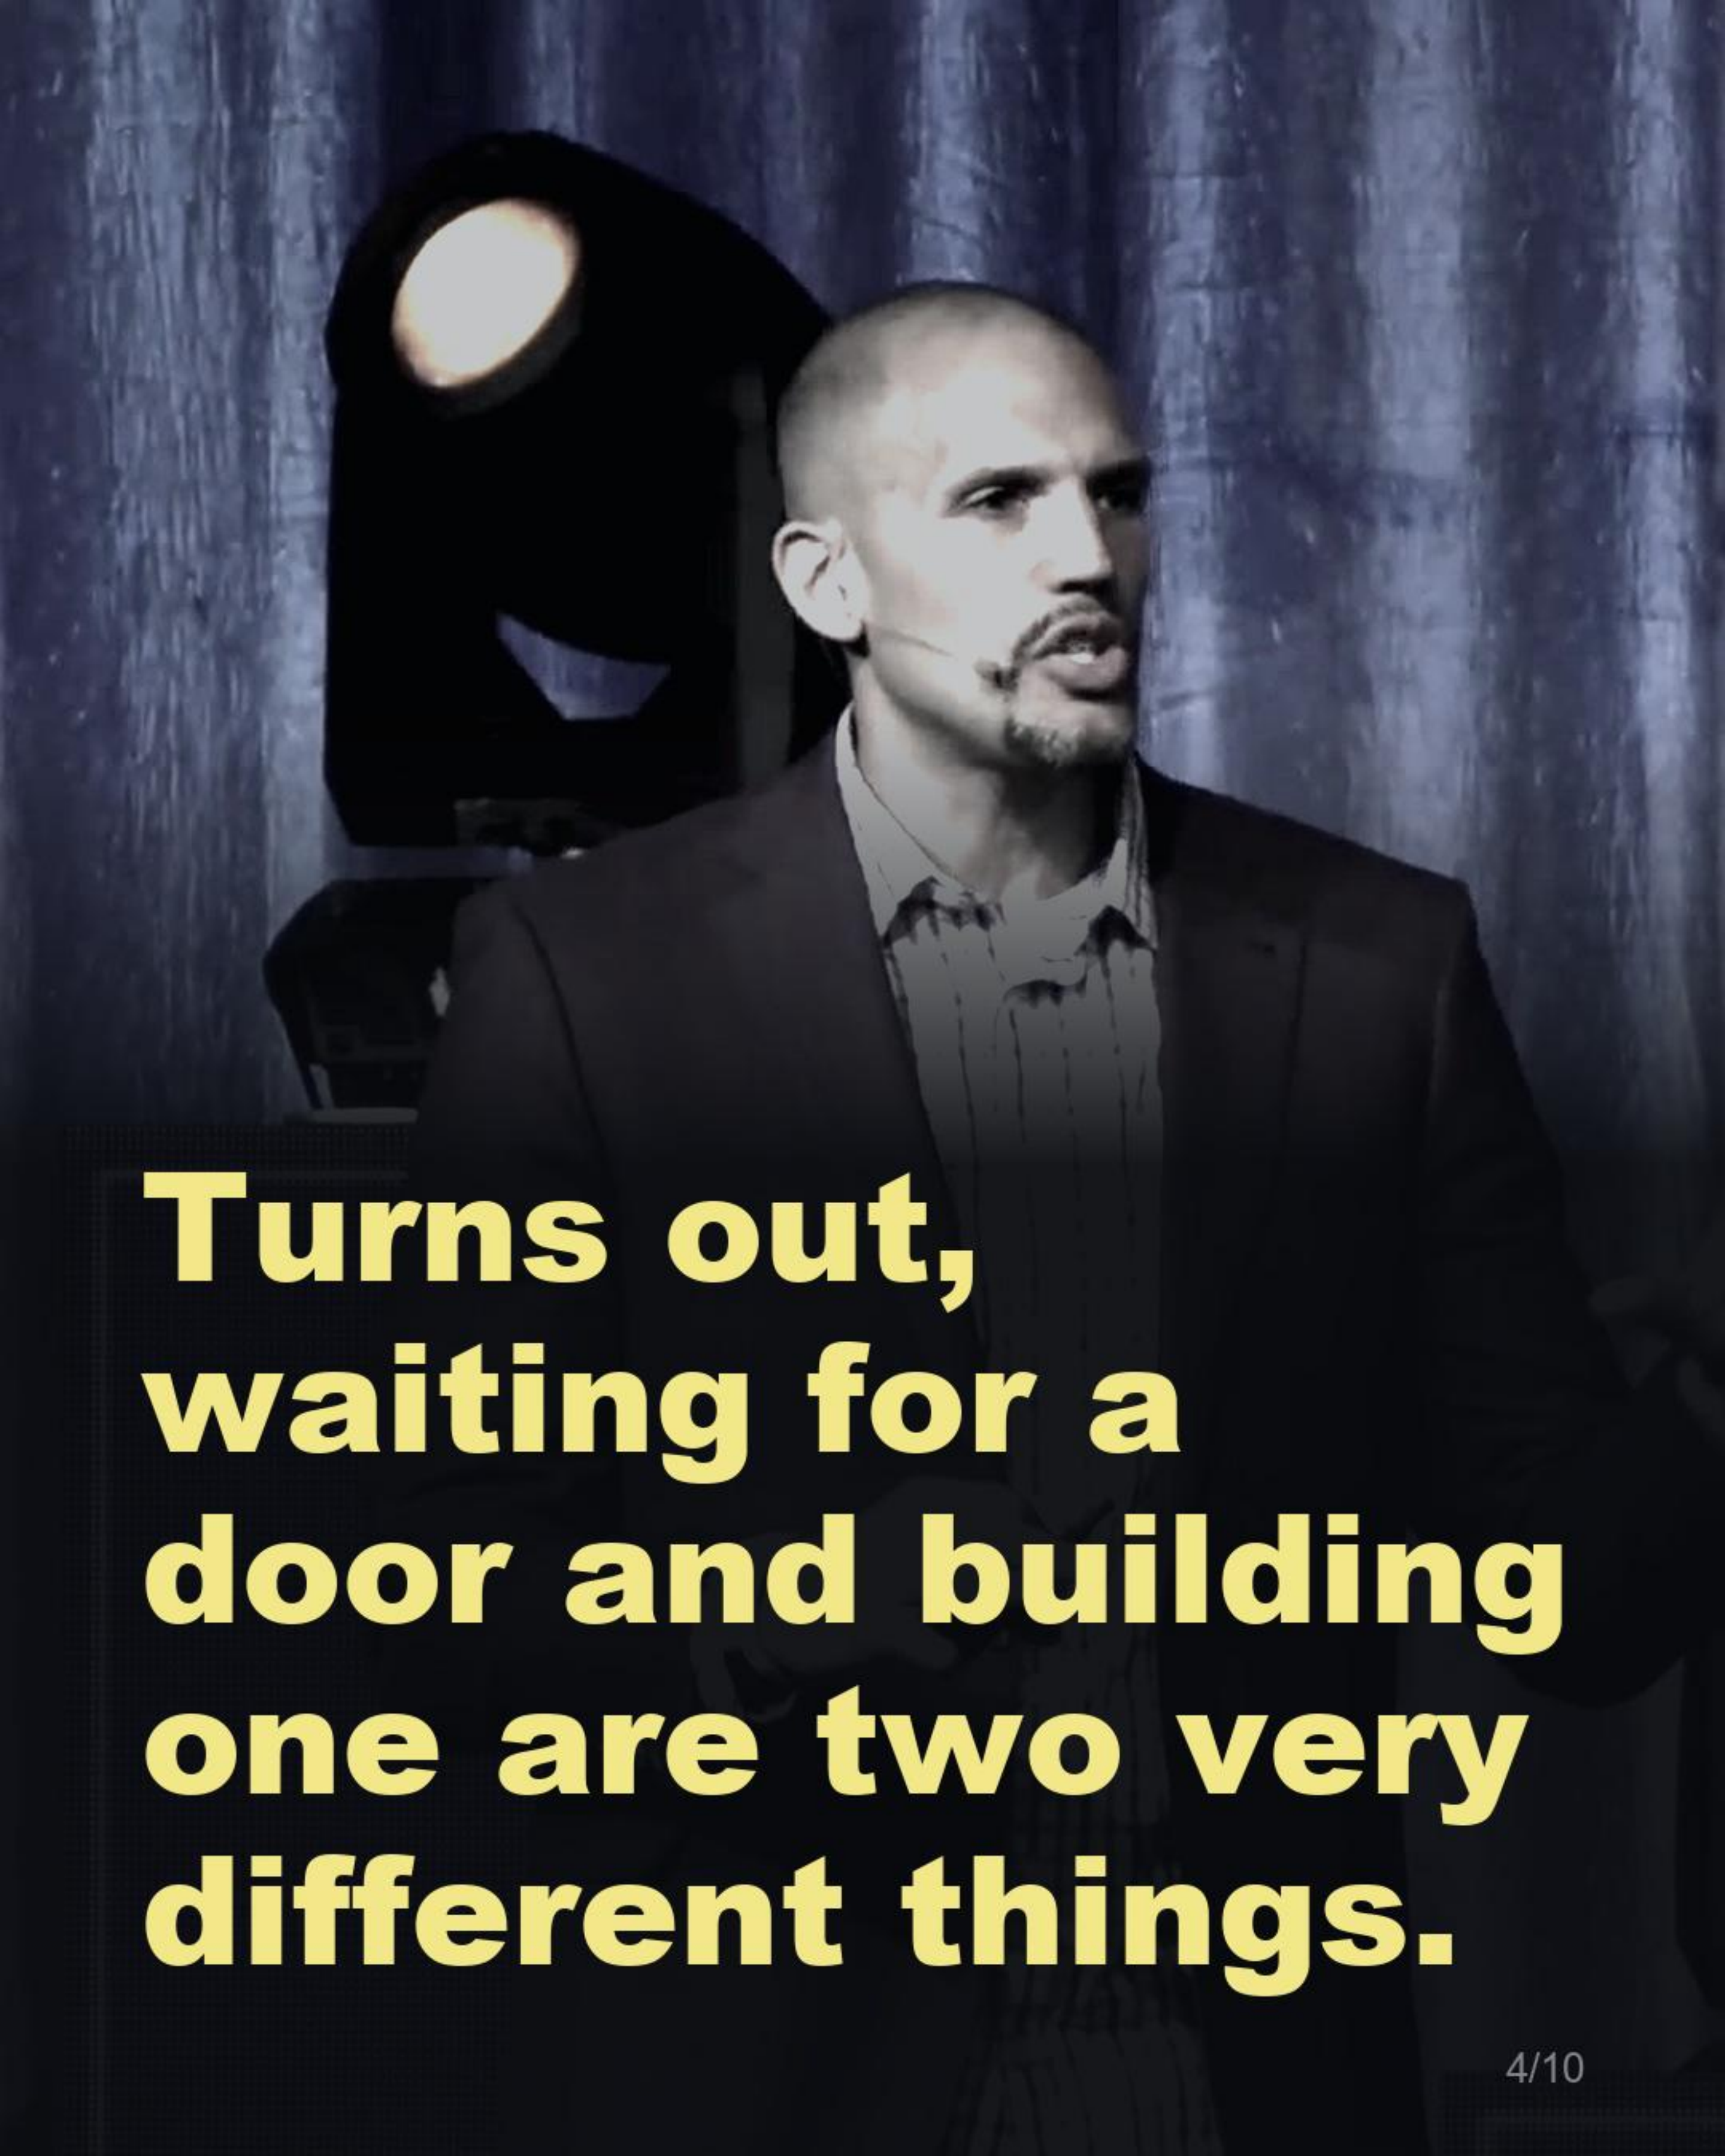

I thought I was waiting for an opportunity. Turns out, I was just waiting.

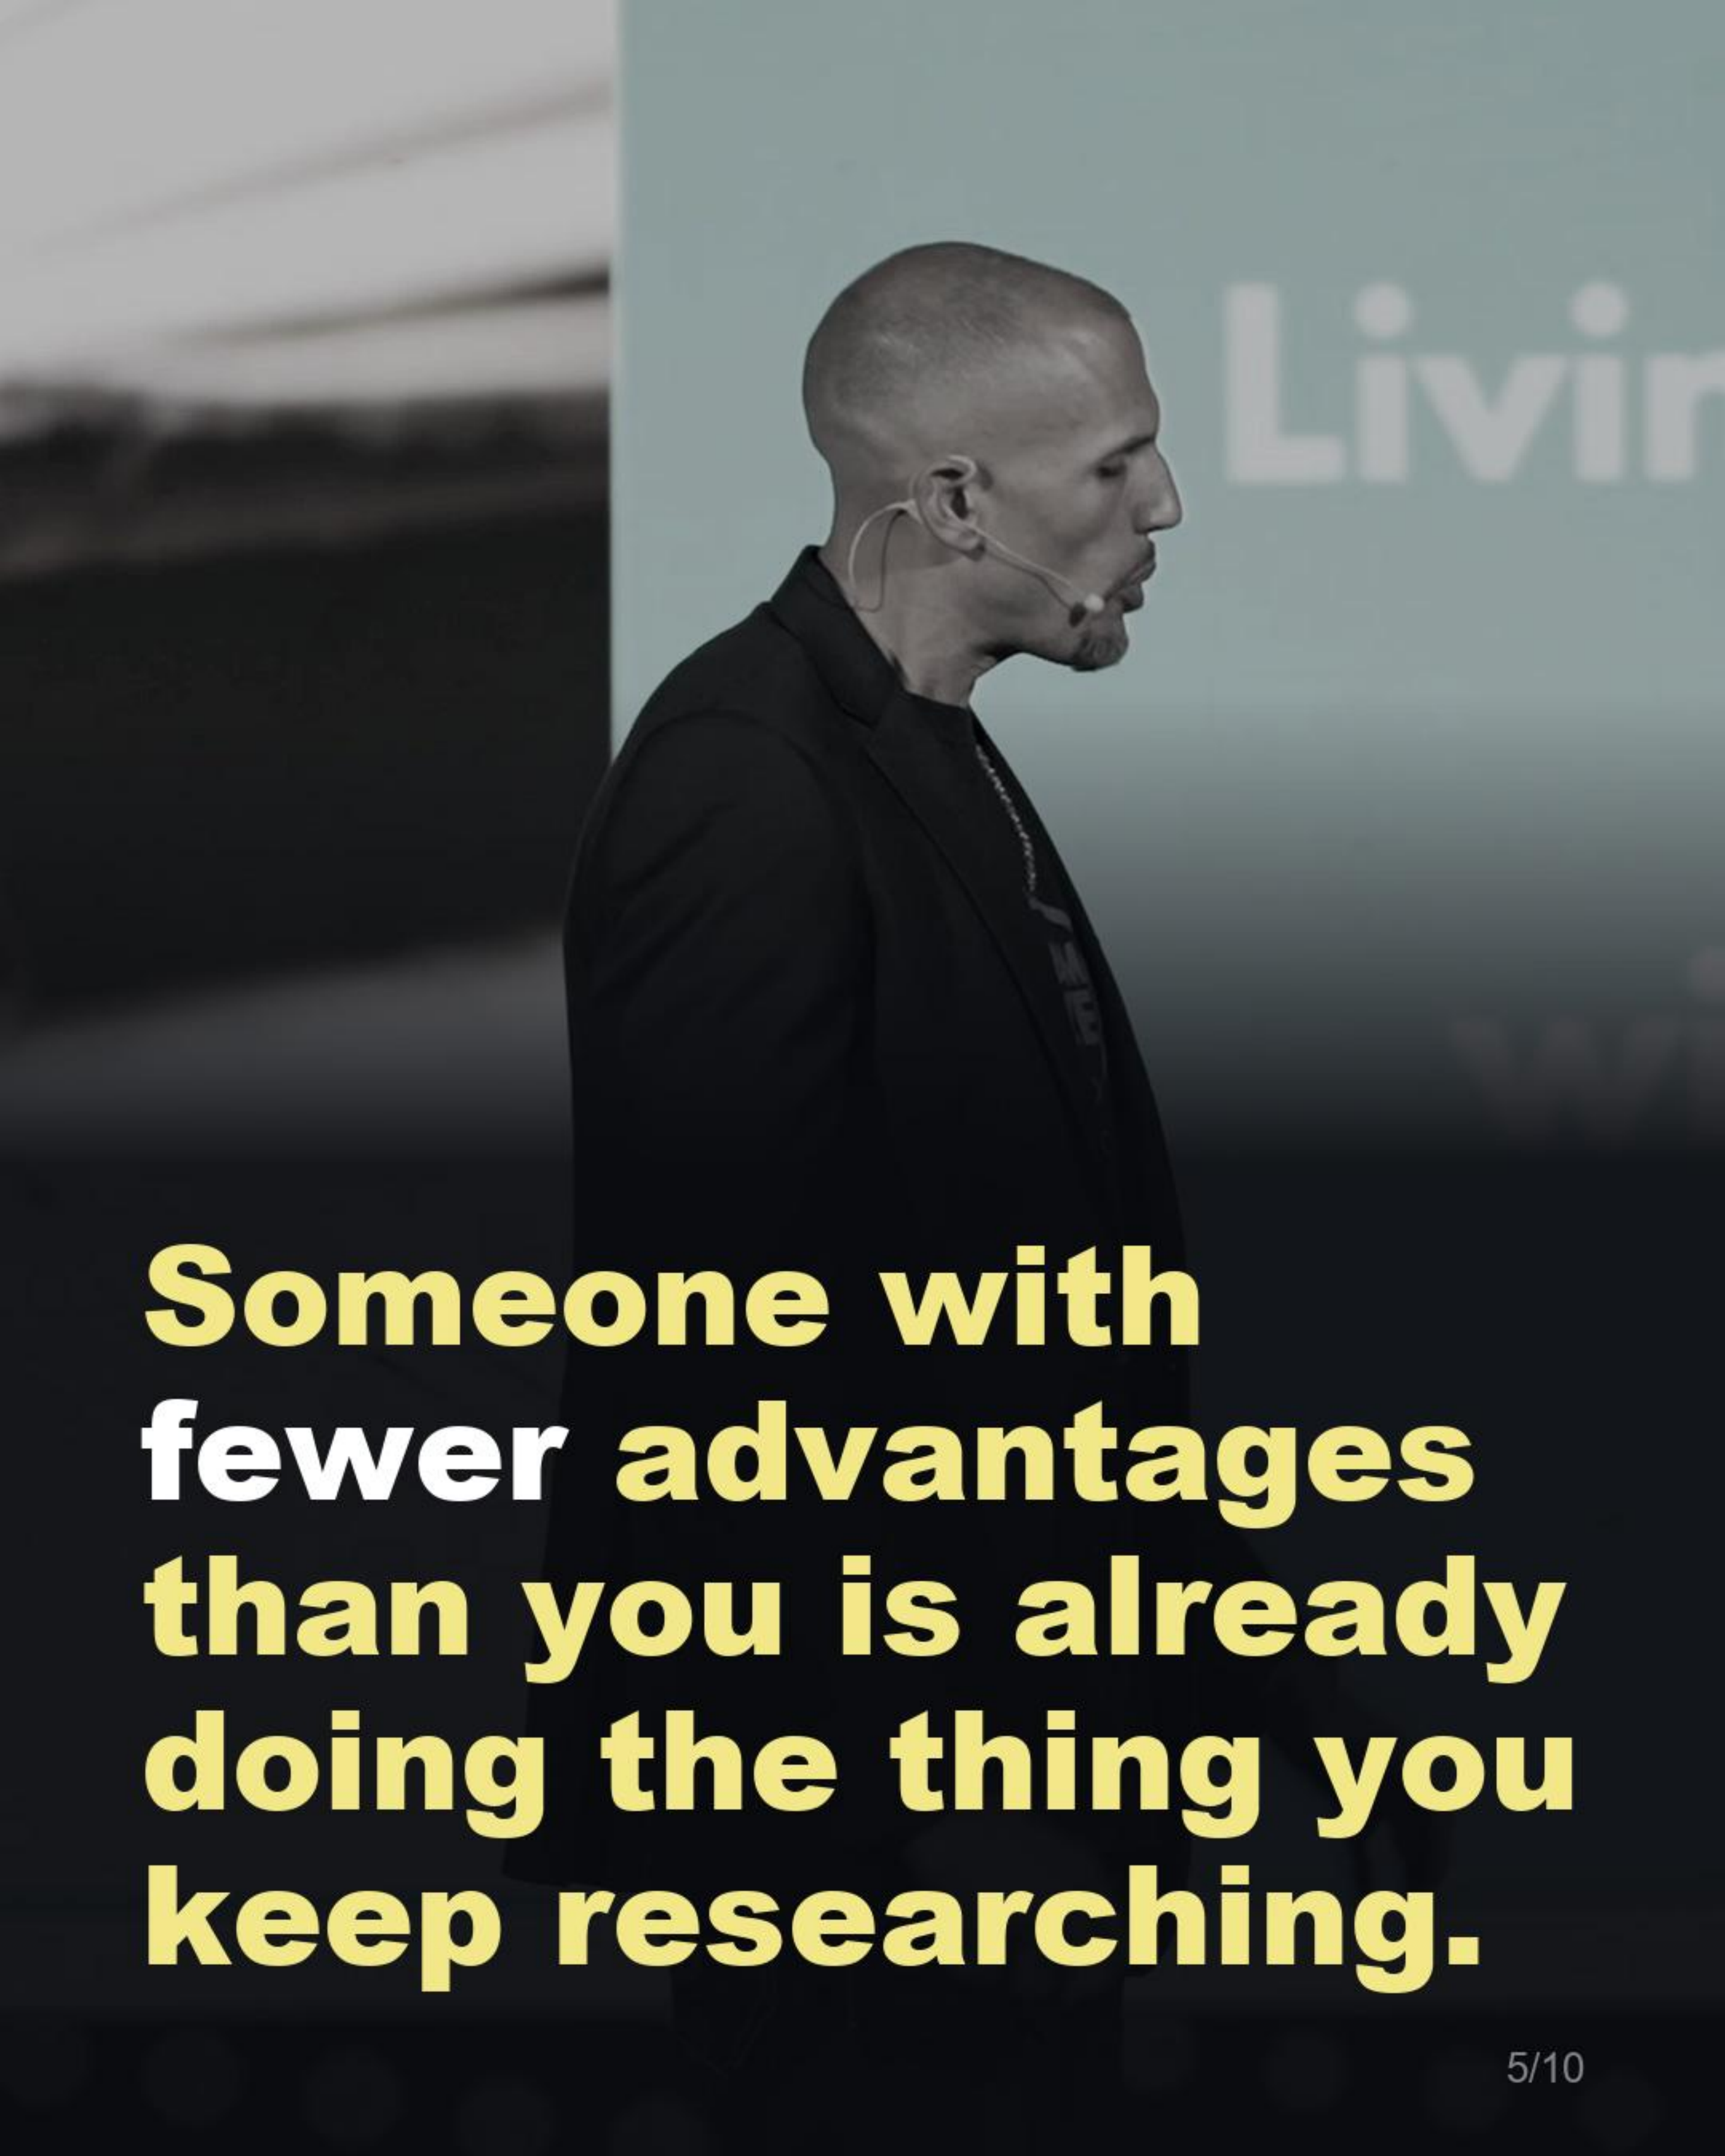

**I got into it because
I bought a \$7.99
book at Sam's Club
in my twenties and
it rearranged how I
thought.**

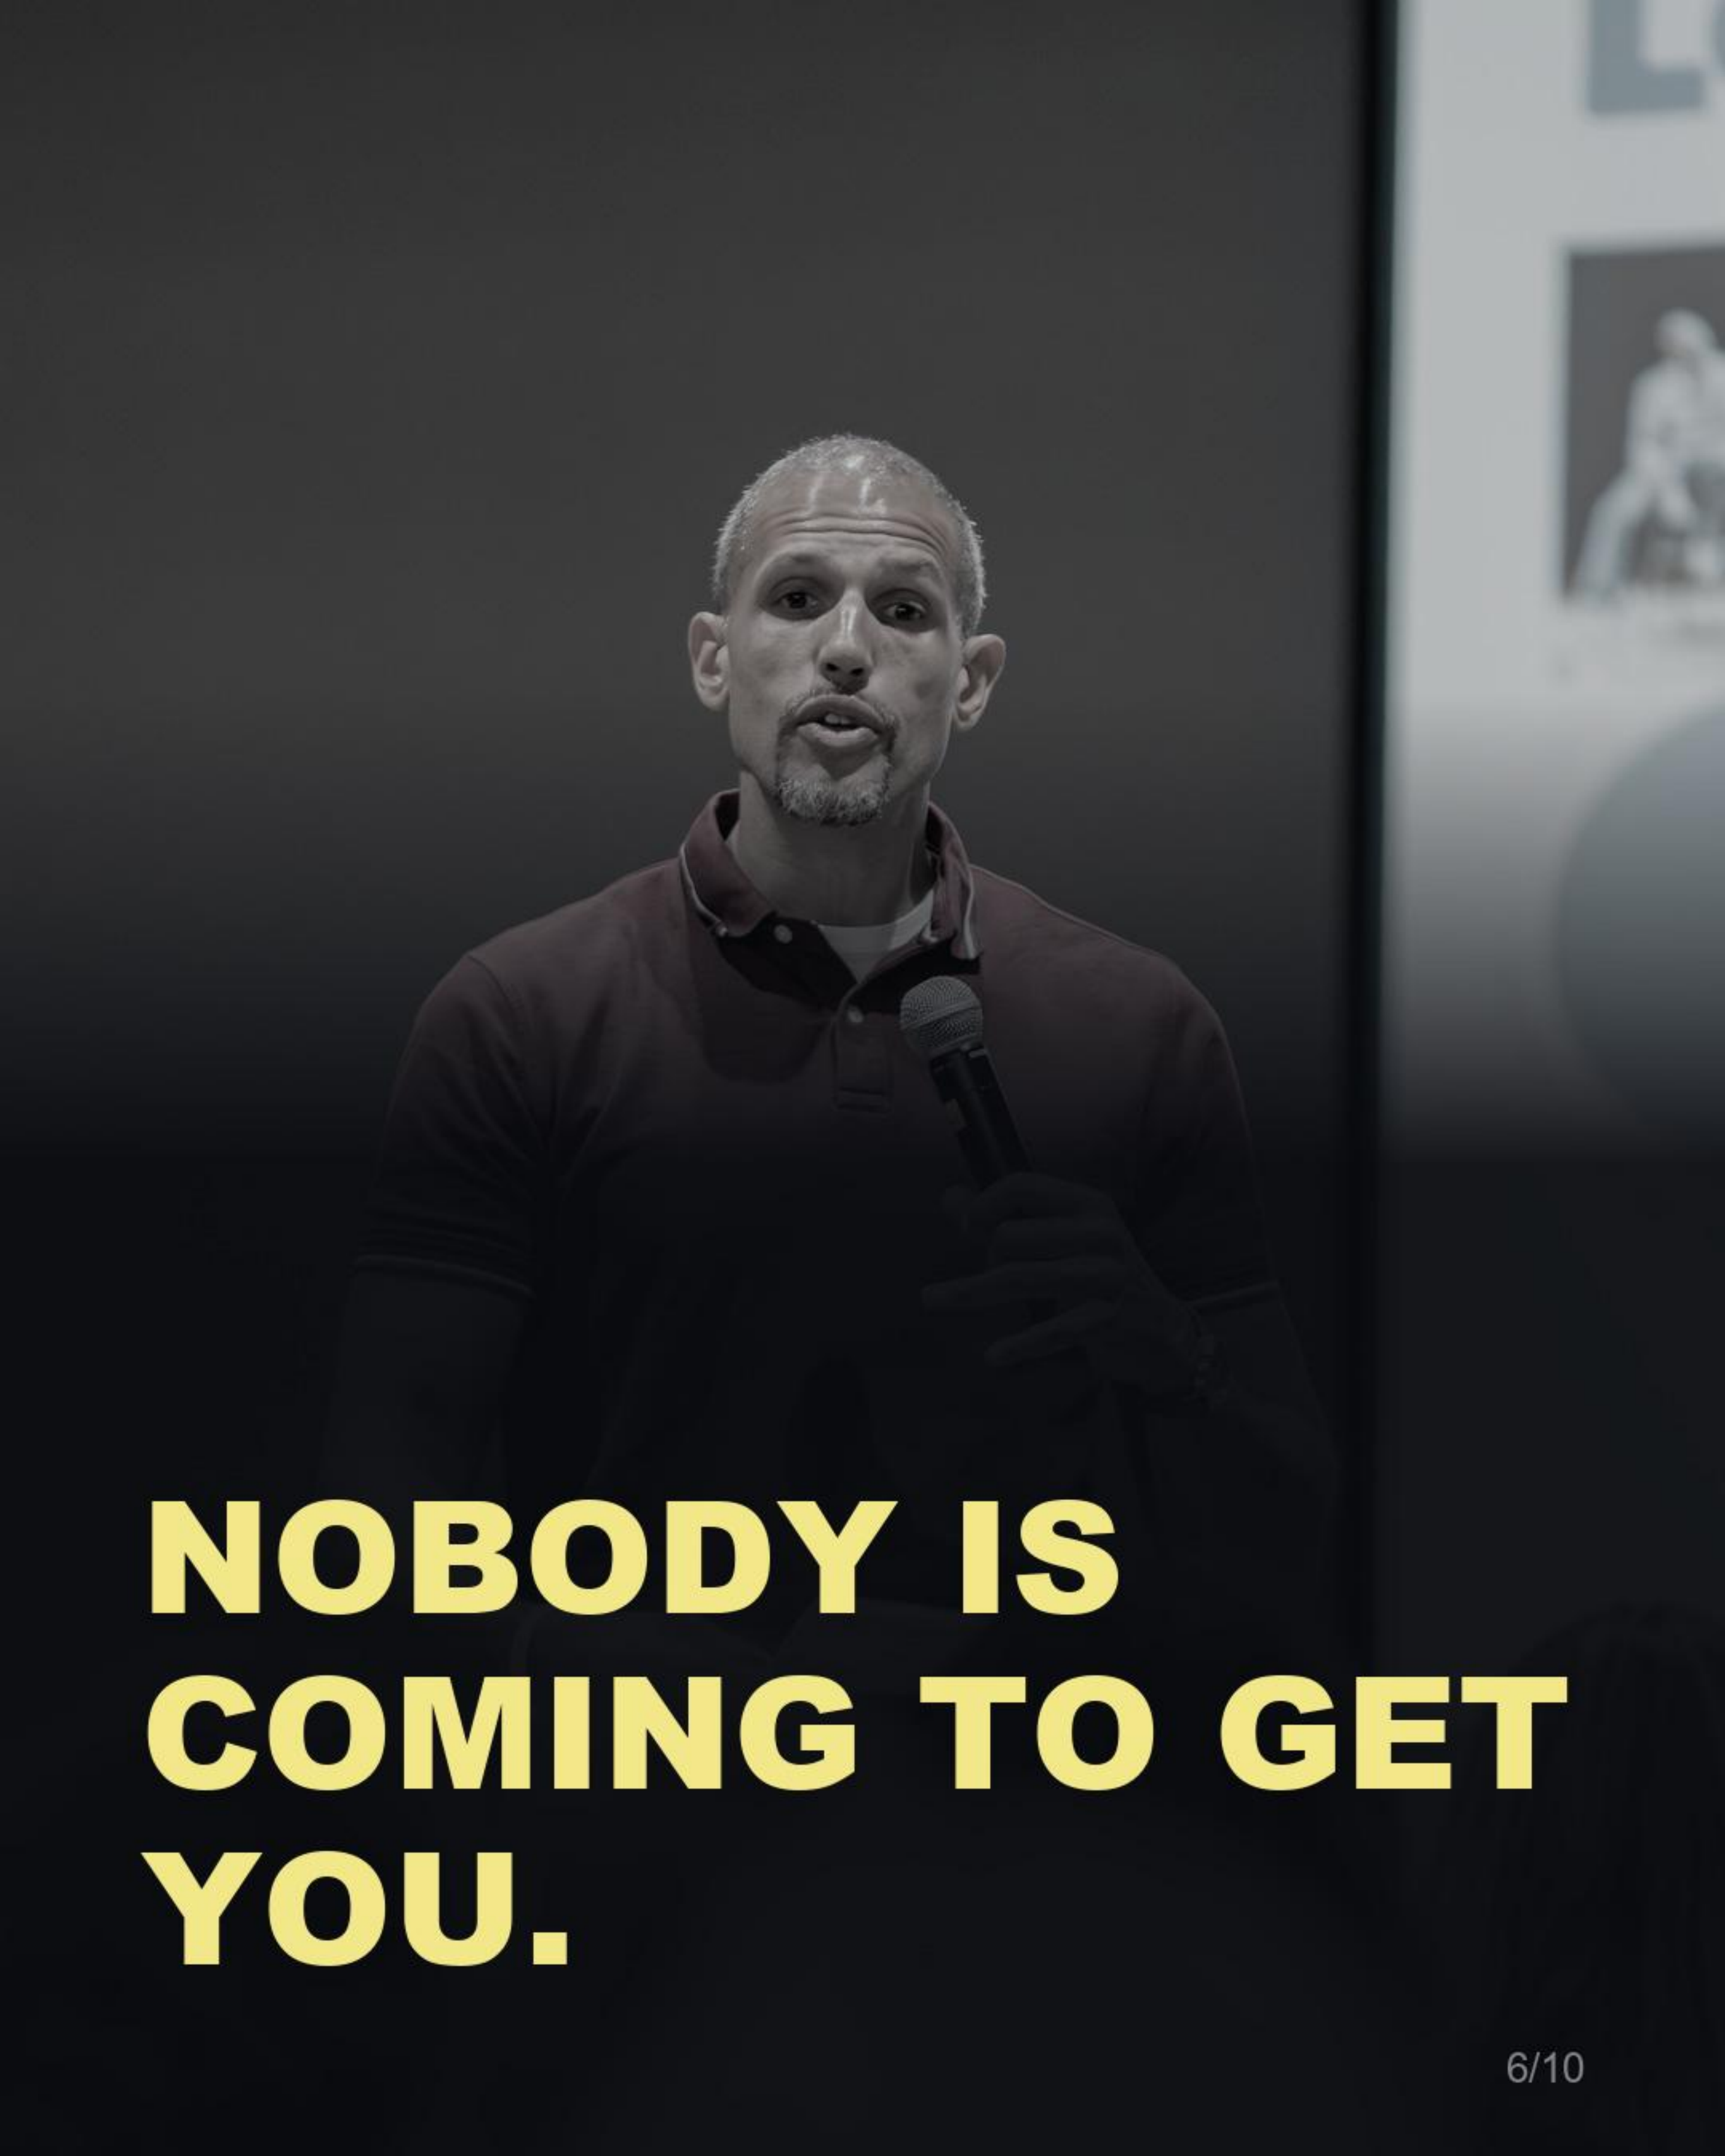

**I thought I was
waiting for the
right
opportunity...**

A man with a shaved head and a goatee, wearing a dark suit jacket over a light-colored shirt, is speaking. He is positioned in front of a large screen that displays a cartoon character with a large head, a single glowing eye, and a wide, toothy grin. The background is dark and textured, possibly a stage or a studio setting.

**Turns out,
waiting for a
door and building
one are two very
different things.**

Someone with fewer advantages than you is already doing the thing you keep researching.

A man with a goatee, wearing a dark polo shirt, is speaking into a microphone. He is standing in front of a dark background with a large screen to his right showing a person walking. The text "NOBODY IS COMING TO GET YOU." is overlaid in large, bold, yellow letters at the bottom of the image.

**NOBODY IS
COMING TO GET
YOU.**

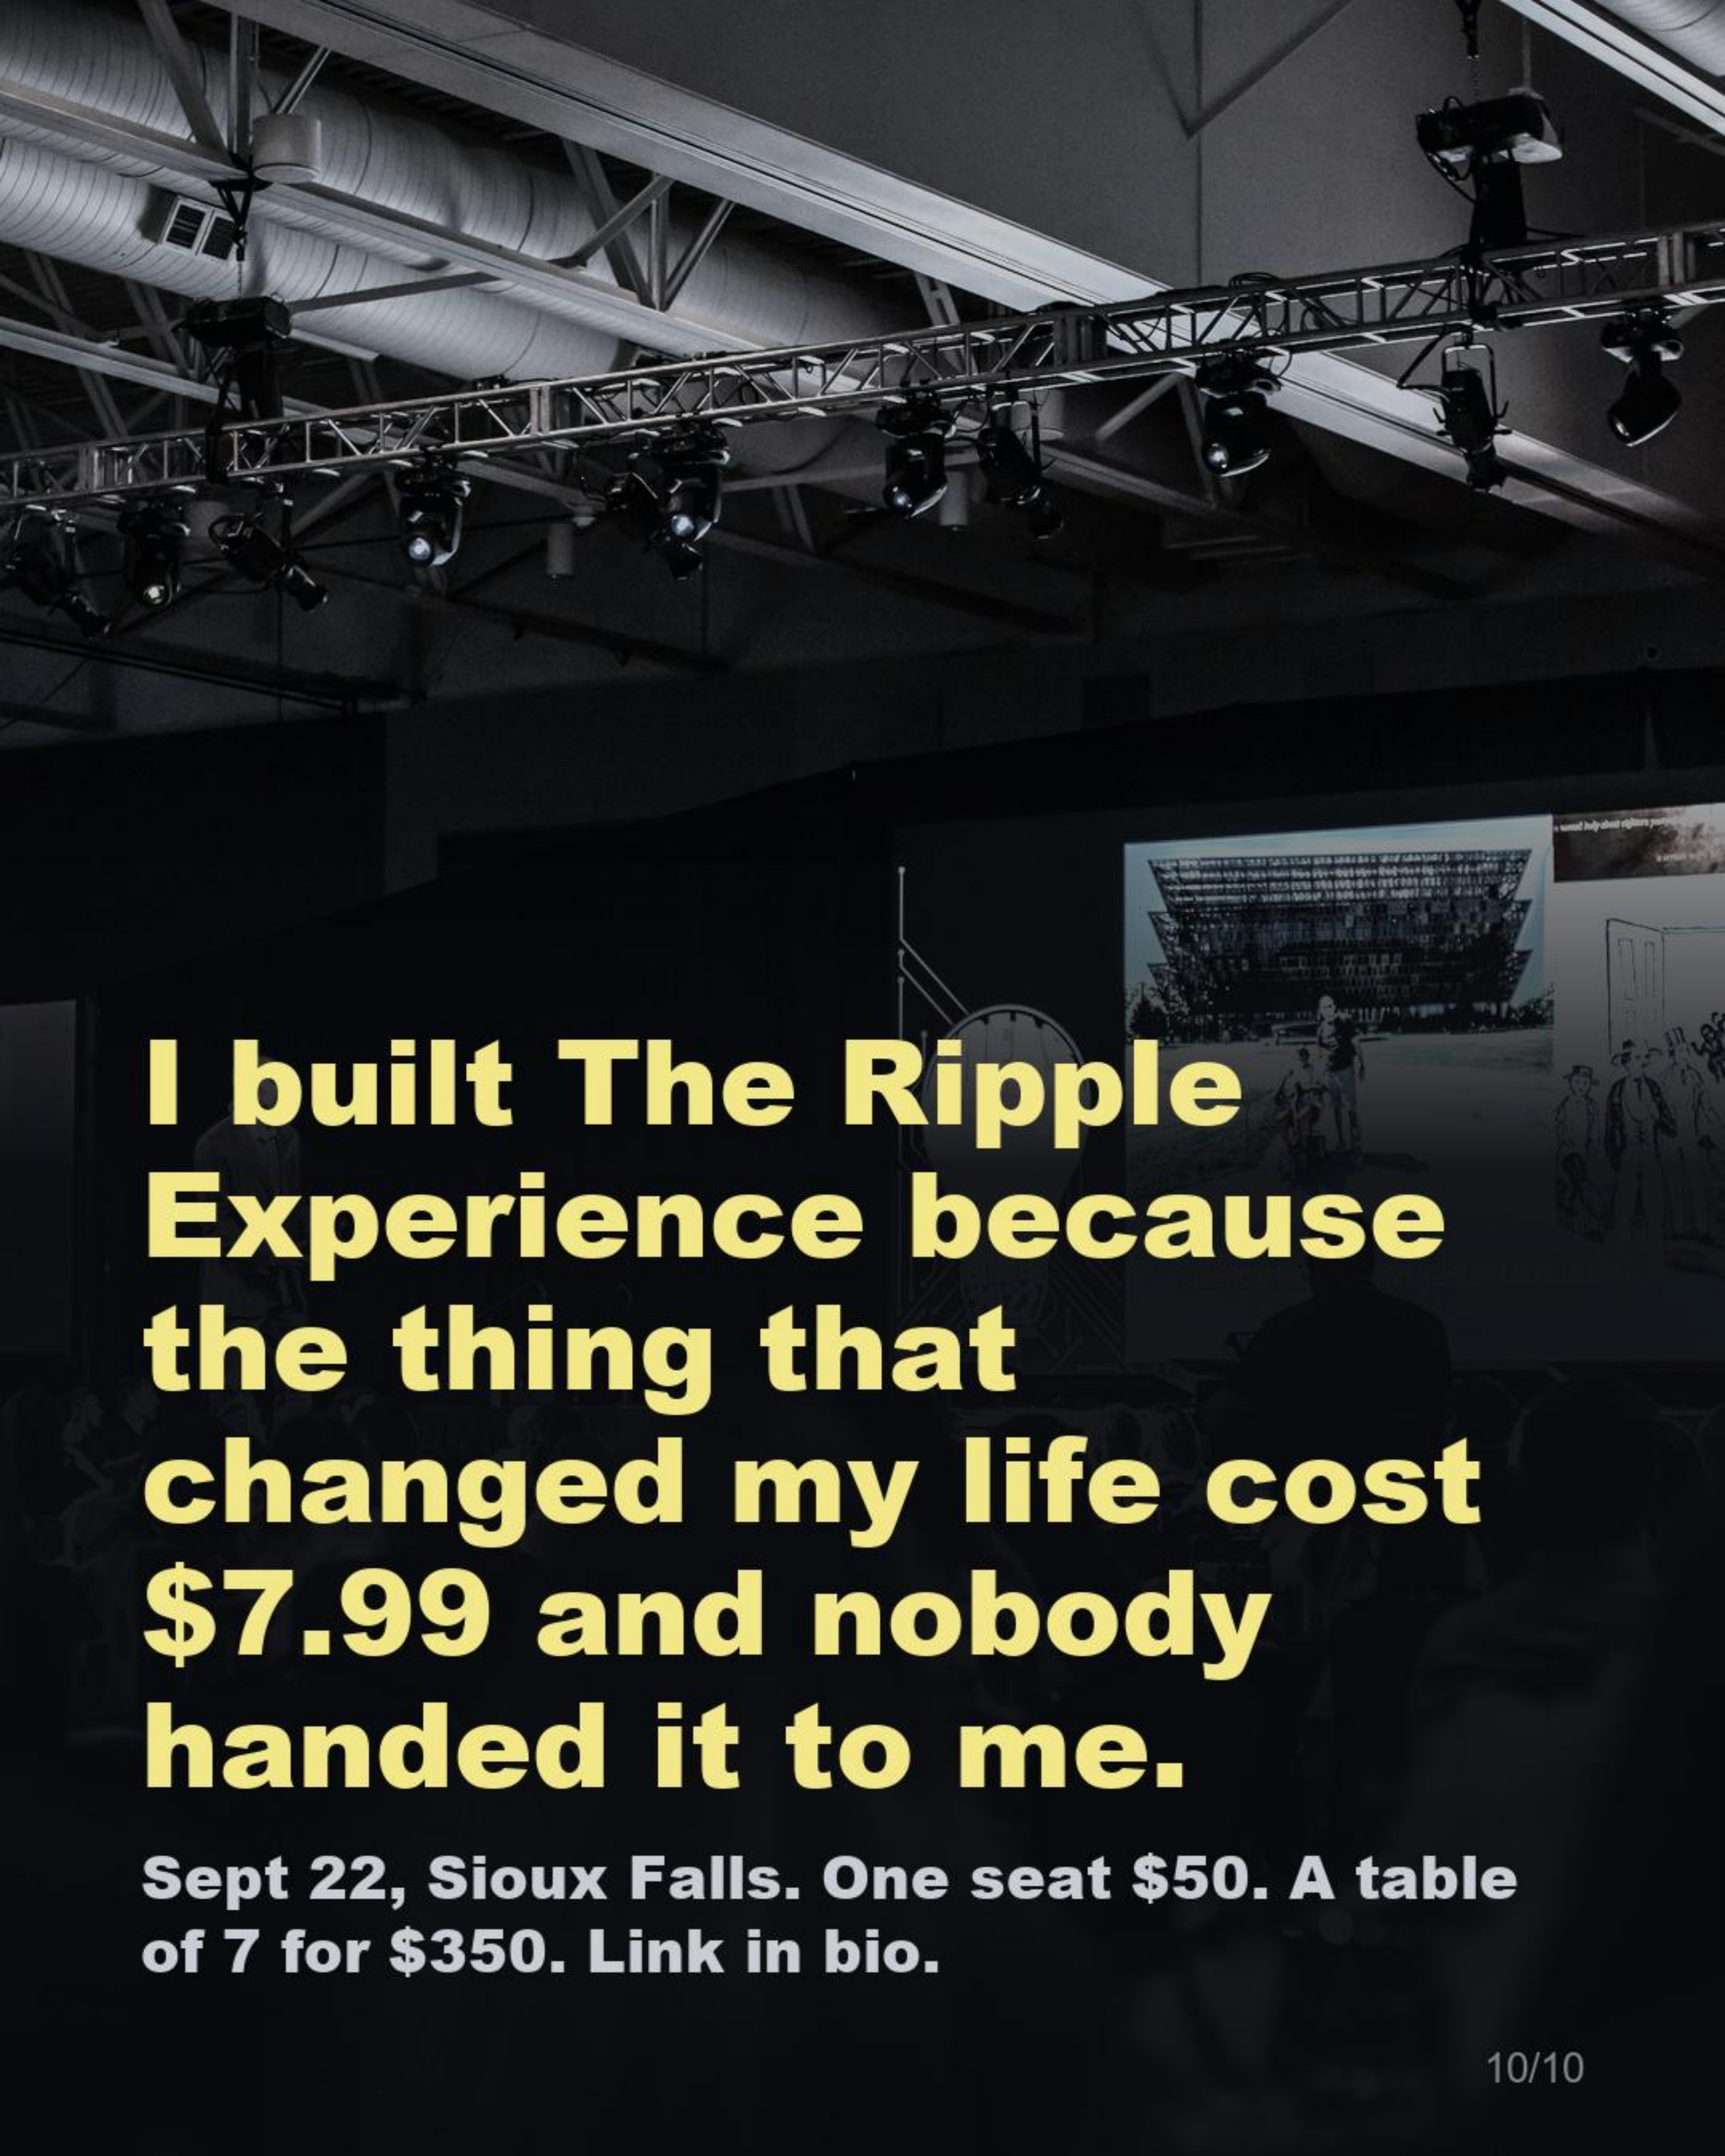

Maybe you're not blocked. You've just been calling preparation a reason to wait.

**You don't need a
bigger plan. You
need to stop
waiting to feel
ready.**

A man with a beard and short hair, wearing a dark suit jacket over a patterned shirt, is shown in profile from the chest up. He is speaking into a small microphone clipped to his shirt. His right hand is raised, with his index finger pointing upwards. The background is dark and out of focus.

**What have you
been waiting to
be picked for?**

**I built The Ripple
Experience because
the thing that
changed my life cost
\$7.99 and nobody
handed it to me.**

**Sept 22, Sioux Falls. One seat \$50. A table
of 7 for \$350. Link in bio.**
